Careers

Easy applying process
through a smart device

A hand-drawn sketch of a mobile application interface for a careers page. The interface is divided into several sections. At the top, there is a header bar with a hamburger menu icon on the left, a circular profile picture placeholder, the text "IABC Regina" next to it, and three small square icons on the right. Below the header, there is a search bar with a magnifying glass icon. The main content area is titled "careers" and contains three job listing cards. Each card has a circular profile picture placeholder on the left, a title and description area in the middle, and a plus sign icon on the right. At the bottom of the screen, there is a footer section with a wavy line representing a logo, four rectangular buttons arranged in a 2x2 grid, and a "submit" button at the bottom right.

This page now looks simple to understand and react with

A hand-drawn sketch of a mobile app interface on lined paper. At the top left is a hamburger menu icon. Next to it is a circular profile icon with the text 'IABC REGINA' to its right. To the right of the profile icon are three small square icons and a search bar containing the letter 'a'. Below this header is a section titled 'MY ACCOUNT'. Underneath, there are two columns: 'SIGN IN' and 'SIGN UP'. The 'SIGN IN' column has two input fields and a 'Submit' button. The 'SIGN UP' column has three input fields and a 'Submit' button. At the bottom of the sketch is a horizontal bar with three lines of text on the left and a square icon with an 'X' on the right.
